Sir,

Apportionment of shandy realisations to 5945 Melekote Village panchayet.

With reference to your letter No.L.11328 dated 20-6-1943 on the above subject, I have the honour to state that according to the Standing orders in force on the subject, the village panchayet is entitled to get one fourth of the shandy realisations. It is seen from the report of the Amildar dated 16-6-1944 that the average income of the village panchayet for the past three years is Rs.409-0-0 and the village panchayet urge that a sum of Rs.102-4-0 may be arranged to be paid to them by the District Board, who have paid only Rs.91-4-0.

2. On a reference made to the President, District Board, the President has stated that it is not possible to pay any more than what is being paid at present on the ground that no preferential treatment could be shown to this particular panchayet as this would form a precedent for similar claims being put forth by other panchayets. This does not appear to be a reasonable argument.

A copy of my letter to the President, District Board and that of his reply thereto is enclosed together with the connected vernacular papers ending with Dodballapur Sub Division Officer's memo No.A3.1095/43-44 dated 17-6-1944 for favour of reference and early orders.

I have the honour to be,

Copy of letter No.M7.4288/42-43 from the Deputy Commissioner Bangalore District to the President, District Board, Bangalore.

Apportionment of shandy realisations to Melekote village panchayet, Dodballapur Taluk.

In enclosing herewith the records received with Dodballapur Sub Division Officers memo No.A3.C.1095-43 dated 17th June 1944 on the above subject, I have the honour to state that the village panchayet of Melekote is repeatedly urging for a larger apportionment of the shandy realisations than what is being done at present.

It is seen from the records that the average income of the village panchayet from all sources is only Rs.409-0-0, and the maximum amount of apportionment expected is 1/4 of the average shandy income according to standing orders on the subject and that the amount expected from the District Board is 10-2-4-0 while it is reported that only Rs.91-4-0 is being paid at present.

The village panchayet state that the realisations to the District Board out of this shandy is more than Rs.980/- In the circumstances, the request of the village panchayet is modest and reasonable and the Board may be moved to reserve the apportionmnet of Rs.102-4-0 to the village panchayet as this is far less than 1/4 of the shandy income realised by the Board. I request the favour of early reply.

Copy of letter No.C.27/44-45 dated 28th July 1944 from the President, District Board, Bangalore to the Deputy Commissioner, Bangalore District, Bangalore.

With reference to your letter No.M7.C.4288/42-43 dated 28th June 1944 regarding the apportionment of shandy realisations to Melekote village panchayet, Dodballapur taluk for the year 1941-42, I have the honour to state as follows.

The income of the village panchayet for the three years was as noted below, as per figures furnished by the Amildar.

1939-40	Rs.101-0-0
1940-41	244-4-8
1941-42	750-7-7
Total	1095-12-3

Average Rs.365/-

One fourth of the above is Rs.91-4-0. As such, the amount of contribution of Rs.91-4-0 paid to the panchayet for 1941-42 is correct.

As regards the prayer of the panchayet for a larger apportionment out of the shandy realisations on the ground that the income from the shandy is more than Rs.980/- etc. I have to point out that the income from the shandies is a major item of Revenue of the Board. Prior to the year 1942-43 such apportionment was being paid only to a few panchayets. Government have ordered in their order No.G.L.466b-8/L.B 13-41-128 dated 10th November 1942 that similar apportionment

should be paid from 1942-43 to all the village Panchayets, where shandies are held. This involves additional expenditure to the Board.

Moreover, no preferential treatment could be shown to this particular panchayet, as this will form a precedent for similar claims being put forth by other panchayets.

Under these circumstances, I regret that the request of the panchayet is unreasonable and cannot be complied with.

The connected file sent with your letter is herewith returned.

Sir,

With reference to the correspondence ending with your letter no. M7.C.4288/43-44 & 16/1/45 re: apportionment of Shandy realisations to Melekote Village Panchayet, Doddaballapur Taluk, I am directed to point out that there is some confusion between the claims made by the V.P for the years 1942-43 and 1943-44 in this behalf. A sum of Rs 91-4-0 was paid by the Dist Board during the year 1942-43 as against the sum of Rs 102-4-0 which is now claimed by the Village Panchayet, in respect of the Shandy realisations. This amount

WD 0523—GPB—7,500—16-2 37

amount is one-fourth of the average income of the V. P. for the years 1939-40 1940-41 and 1941-42, as intimated to the Pdt, Bangalore Dist Board in your letter no C.27 Miscl dt 28/7/44 and it is correct so far as the V. P. portion for the year 1942-43 is concerned, in accordance with the G.O. No L 4665-8/V.P. 13-41-128 dt 10/1/1942

The claim of the V. P. for Rs 102-4-0 is based on the report of the Amildar dated 16-6-44 in which he has furnished figures of V. P. income for the years 1940-41, 1941-42, and 1942-43 and this would hold good for the year 1943-44 in accordance with the above G.O. Hence no orders of Govt are necessary in the matter.

Correct figures of V. P income may be furnished to the Pdt of the Dist Board so that the proportionate amount may be paid by the Board to the V. P. in accordance with the Standing orders
